(JENNY IS SITTING INSIDE OF THE POLICE STATION. SHE HAS BEEN LOOKED AT BY AN ER PERSON NAMED MAGGIE FIRESTONE AND IS NOW SITTING THERE SILENTLY)

MAGGIE FIRESTONE

She is definitely in shock. I would also say she is sleep deprived and exhausted.

MARVEN HAERT

She isn't hurt then?

MAGGIE FIRESTONE

No. Not that I can tell.

(BEAT)

What's her name?

MARVEN HAERT

Several of the others told us her name is Jenny.

MAGGIE FIRESTONE

Thank you.

(TO JENNY)

Jenny. Jenny, listen to me.

JENNY

Yes ma'am?

MAGGIE FIRESTONE

Hi sweetie. Can you tell me if you're hurting anywhere?  
Is there anything that hurts.

JENNY

No.

MAGGIE FIRESTONE

Okay, thank you, Jenny.

(TO POLICE 3)

Have her parents been contacted yet?

MARVEN HAERT

We haven't been able to reach them. They live in New York City.

(CONTINUED)

MAGGIE FIRESTONE

You mean she's here alone?! Does she have some other family here?

MARVEN HAERT

Not that we have been able to find. According to Instigate Insurance, she's here by herself for an internship program.

MAGGIE FIRESTONE

Oh no, no. She needs someone. After an traumatic experience victims need to be surrounded by support from family. And they need to receive it within the first several hours.

(BEAT)

How long has she been here?

POLICE 3

A couple of hours.

MAGGIE FIRESTONE

No, no! We need to find her someone she knows! Especially with her being so young. Have you been able to contact her friends, anything?

MARVEN HAERT

She has a boyfriend.

MAGGIE FIRESTONE

Where's he?

MARVEN HAERT

Out there, he came in awhile ago. We were going to ask her a few questions first.

MAGGIE FIRESTONE

Why would you ever do that?

MARVEN HAERT

She told us to! She said she wanted to give a complete statement while the scene was still clear in her mind.

MAGGIE FIRESTONE

No! She saw people getting shot right in front of her. She's not able to do that now. This girl is terrified. Look at her! She needs someone. You need to send her boyfriend in here.

He's on his way.

MAGGIE FIRESTONE

Thank you. It's ok, Jenny. Someone is coming.

SOUND: DOOR OPENING AND MATTHEW WALKING IN

MATTHEW

Jenny?

JENNY

Matty!

SOUND: JENNY GOING TO MATTHEW AND HUGGING MATTHEW TIGHTLY

MATTHEW

You okay? They wouldn't let me in. What happened?

JENNY

(CRYING)  
They shot him.

MATTHEW

I got you.

JENNY

They shot him. They just shot him. He shot him
